It feels like the whole world is on TikTok. Many of our campers & staff certainly are. If you need a guide to managing TikTok with your children, this is a helpful resource:

[TikTok features that will help keep your campers safe](#)

We encourage you to stay engaged with your campers social media use and be aware of new trends and features.

We believe that camp is a wonderful opportunity to disengage from smart phones and to practice connecting face to face. However, it has been nice to see how social media has helped camp friends stay connected *after* camp.

Exciting Staff updates

Andrew Townsend now in his 38th year at Kennolyn, has been promoted to General Manager. *He now oversees our Events business in addition to our Camps.* He also received the honored 'Grant Gerson' award from WAIC. This service award is given to those who make an extraordinary contribution to the camp industry. We are so proud.

Miles Bundy is now our Operations Coordinator. *We are so fortunate to have him join our year-round team after 10 summers at camp.*

We had staff from 14 countries last summer, from Ghana to Scotland.

If you, or someone you know, is looking for a life-changing summer. [Click here to apply](#)

Where do Overnight Campers Come From?

We have had a very busy wedding & retreat season!

Check out our [Events Instagram](#) to see Kennolyn transformed into a spectacular wedding venue.

Know someone getting married or planning a retreat? Email events@kennolyn.com

Alumnae Update

Congratulations to former camper & counselor Sammy Freitag who got married at Kennolyn a few weeks ago (see photo above)!

Alison Silzer Goradia (camp mom & past staff) received the **2022 yearbook dedication** for all of her amazing 23 years at Kennolyn.

Liz and Molly Gazin (past staff) brought their 3 month old daughter while they were camp moms for Session 5!
