

Kennolyn's Day Camp

Session 3 (July 5-7)

Join us for a fun three day “CHANGE OF PACE” session!

In our ‘4th of July’ themed Session 3 campers decide how they spend their time at camp. New and returning campers alike LOVE this change of pace from how we normally run camp. Please contact Dan, the Day Camp Director, with any questions – dan@kennolyn.com, 831-479-6714 ext 447.

Our 12 different camper groups are placed in one of three larger cohorts. Each cohort rotates through an area of camp to have the “run of the place”. During each 90 minutes period, campers have access to three or more activities. They can focus on one or try them all. This relaxed pace gives campers time to settle in and follow their interests or follow the encouragement of a friend to try something new. Along the way, two counselors from each group and additional specialty activity staff facilitate the FUN. Our Counselors in Training provide an additional layer of support.

Some activities cannot accommodate the entire cohort so these are scheduled as “Extras” for each group. Campers in that group can choose the “Extra” or stay with the larger cohort. Extras include high Ropes, climbing, low ropes, animal care, and vaulting. The schedule below shows the activities and “extras” for each grade.

Friday will operate as usual with “Free Choice” activities in the morning where each camper can roam where they please across the entire camp followed by a fun 4th of July style carnival event in the afternoon. As usual, our youngest group of K/1st graders stay together as a group Friday mornings as they're not ready to roam camp quite yet on their own.

Tentative Schedule

Cohort #1 (Grades K to 2)	Cohort Activities Wed & Thurs	Wed Extra	Thurs Extra	Cohort Fri Activities
