

ONLINE FORMS

Required **3 weeks** before session, earlier the better.

- Physician Exam - download the pdf to be filled out by physician's office
*If your camper has had a physical within 12 months of their session, the physician office can fill out the form without seeing the camper. **Don't wait on this!***
- Health History Form
(If returning, please **update** information from last year including allergies, mental health changes, etc.)
Bring essential medications only:
 - ALL medications (Rx + OTC) need to be entered into your camper's health history form AND need medical professional approval on camp Exam form
 - Must be in the original bottle (with the doctor's instructions) & can't be in a pill box or zip lock bag.
 - Families may choose pre-packaged medications from PillPack.com. This helps our medical team easily administer medications. These packs must be preordered & brought to camp with your child.
- Up-to-date Immunization Record *Must be an official record that includes the camper's name. See: myvaccinerecord.cdph.ca.gov to easily get your digital record*

These health forms are so important that we must refuse your camper entry to camp if they are not completed, and we definitely don't want to do that.

- Activity Selection (opens April 1st)
We will email you a reminder about the form. Campers will choose their top activity preferences. *Sessions 1-3 are due May 1st. Sessions 4-6 are due June 1st. It is not first come-first served.*
- Travel Form (airline only) if your camper wants a San Jose airport shuttle

-
- Order from our Online Store for required Kennolyn T-shirts and other camping gear. *Youth sizes run small, order one size larger. Store opens April 1st.*

- Download the Kennolyn App for photos and notifications during camp!
If you want face recognition, a new photo needs to be uploaded each year before the session starts.

-
- NEW FAMILIES: visit '[Enrolled Families/Overnight Camp](#)' for:
 - Evening webinar in March (geared for adults, very informative)!
 - Opening/Closing Days, Email/Mail, packing lists and more.
 - See [Visit Us](#) for tours of camp or to book a call with Lindsey.
